

Pick a character from ARITS: 1 Paragraph

Walter Jr. Mama Ruth Beneatha Asagi

Describe this character using 1 adjective/characteristic. For each characteristic show a quote that supports why you think that character is as you describe. The quote will turn into a paragraph following the typical paragraph format we have been learning.

- 1) State first characteristic: *Mama is _____,*
- 2) *we see this when....* (Introduce quote with who is saying it and context/background)
- 3) Quote
- 4) Cite in MLA
- 5) Paraphrase (Here s/he is saying...)
- 6) Analyze (This shows, This illustrates, this demonstrates...) (2-4 sentences)

*The quote can be EITHER said by the character you are describing or ABOUT the character you are describing, either way, give context for who the character is, don't just give name before giving quote.

* Give CREATIVE TITLE NOT the title of book or using words "essay", "test" or "quiz"

Type and fix your paragraph based on the RAINBOW. Check your quotes and

PRINT.
